Dear friends,

tamtamART have the pleasure to invite you to our Opening for Exhibition :

Book-Like objects is an exhibition presented by a form of the book. Try to use the book, the object to convey artist's idea and creation and go through the thinking to transcend the material's origin and its presented form. It turns the reading to the books into the observation to the reality. Furthermore, discussing the language and the form of the books themselves to make the artist's book as an unique object.
