Dear friends,

tamtamART have the pleasure to invite you to our WINDOWiNSTALLATION # 8. Window installation is a project which artists are invited to create their works by using the space and also the window of the gallery. On this session tamtamART is pleased to present " ZWISCHEN " by Ting-Jung Chen (TW). This exhibition will open on 18. Dec. and will be on view until 08. Jan. 2012

ZWISCHEN_

Unschärf.

Unklar.

Eine Analogie des vagen Zustands von menschen.

Man weiss es nicht so genau, wozu sich selbst gehört und was gehört zu sich selbst.

Machmal schwanken wir einfach zwischen Subjekt und Objekt, und bei einer künstlicher Schicht bleiben.

TING - JUNG CHEN born 1985 in Taiwan Taipei. She is graduated from National Taiwan University, Philosophy, now based in Germany Hamburg and studying her master degree of stage design in Art Academy Hamburg (HFBK Hamburg).

tamtamART will be in winter break from 25th December 2011 to 15th January 2012.

Next exhibition will be on 27th January 2012.

We wish all of you a beautiful winter and happy new year.
